

IGEL ADVANTAGE GROUP

Consulting and Training

Problem-solving and empowering your team

Experts from the **IGEL Advantage Group** explore your environments and produce a “battle plan,” no matter what stage you find yourself in.

Consulting Capabilities:

- ✓ **SOW:** Customized Scope of Work for complex environments - physical, virtual, and cloud
- ✓ **White Glove:** “White Glove” problem solving with Subject Matter Experts with advanced certifications in IGEL, Citrix, Microsoft, and related technologies
- ✓ **Consulting Deployment:** Consulting viewed as a “stabilization team” to address existing issues before, during, and after implementation of new or updated technologies
- ✓ **Post-Go-Live Updates:** Seamless deployment of additional features post-implementation
- ✓ **Scalability:** Scalable and supportable infrastructure designs and Reference Architecture ‘tweaks’ available
- ✓ **Major Corrections:** Capable of review of past practices and architecture designs, enabling administrators to “fix” botched deployments

Education & Training:

CPC’s **IGEL Advantage Group** puts you and your team in a position of knowledge on all things IGEL.

IAG brings you access to:

- IGEL Academy
- IGEL Social Learning Center
- Formal training courses
- IGEL Certified Engineer Courses

Being educated by the IAG means learning about IGEL from the highest-certified engineers in the world.

Pricing & Delivery

The CPC IGEL Advantage Group Consulting & Training can be fully customized. The **IAG Budget-Keeper Commitment** will work to ensure the best budget fit possible for your organization, big or small.
