Quarterly On-Site Personnel

Getting to know the IGEL Advantage Group personally

Maintaining your IGEL environment will be easy - planning for your next business support deployment is where a Quarterly On-Site pays off.

Quarterly Check-In

- ✓ **Quarterly Scope:** Full-service technician utilized 1 day / quarter
- ✓ **Flexible Delivery:** Technician can either be remote or in-person (and observant of social distancing and in-office protocol)
- ✓ **Industry Updates:** Provides overview of upcoming updates, changes, and “on the horizon” ideas related to virtual desktop, thin client, and lightweight OS tech
- ✓ **Monitoring and Reporting:** Review of reports from monitoring, monitoring adjustment, and expansion of monitoring needs
- ✓ **Troubleshooting:** Assigned patches, updates and troubleshooting items executed on quarterly basis

Progress + Planning

Access to IGEL Advantage Group Quarterly On-Site Personnel serves multiple purposes, including:

- Trusted advisor on upcoming projects
- “Idea Person” to bounce new technology combinations off of
- Auditor to review technology, environment, and budget
- Extension of your IT staff
- Validation of ongoing IGEL management program

Pricing & Delivery

The CPC IGEL Advantage Group Quarterly Personnel has standard pricing and purview, but can be customized to fit your need. The IAG Budget-Keeper Commitment will work to ensure the best budget fit possible for your organization, big or small.
