

IGEL ADVANTAGE GROUP

Quick Start

Getting started without the cost & hassle

CPC's **IGEL Advantage Group** conducts Quick Start packages that are the key to getting started with IGEL without disrupting "in-flight" systems.

Elements common to all Quick Start Packages:

- Universal Management Suite (UMS) Server Setup
- Imaging Solutions
- Roll-Out Strategy
- Device Lifecycle Management

MORE EXPERIENCE THAN ANY OTHER IGEL PROVIDER

Customer Benefits

- ✓ **Greater visibility:** In-depth inventory and baseline of your IGEL environment and supported devices
- ✓ **Save time:** A well designed and efficient IGEL environment to allow IT staff to spend less time administrating and more time innovating
- ✓ **Maximize investment:** Full visibility of existing environment and recommendations for any license features
- ✓ **Drive long term strategy:** Move with advances in technology to ensure business efficiency, through modern workspace practices

Quick Start program starts at 2 day+ packages

The following components will be reviewed:

- CPC Equivalent to IGEL Standard, Enterprise, and Enterprise+ packages available

Areas Available for Quick Start Focus:

- License Management
- Active Directory Integration
- Automated Deployments
- Reporting / Remote Management
- IGEL Best Practices
- Custom Partition Analysis
- Server Sizing
- Load Balancing
- 3rd Party Integrations
- Backup Strategy (HA/DR)

Pricing & Delivery

The CPC IGEL Advantage Group Quick Start can be fully customized. The **IAG Budget-Keeper Commitment** will work to ensure the best budget fit possible for your organization, big or small.
